Sammy Just a note to let you know that you are still very much missed and always will be. Another Veteran's day in Gloucester will take place today, i plan to attend to say 'thank you' to you , my brother Jack, and all the Veterans who never heard 'thank you' when they returned. You were much too young to leave us when you did, you were and are my Hero. Please know that you're thought about, loved and prayed for often. God Bless Cousin T

Hi, Sammy, It seems like yesterday that we got the news of your death, although it has been 41 years. I live that day every day. Our family has grown. Janine and Michael are married with children of their own. I am grandmother although I was only 25 years when you passed. We have kept your memory alive. We talk of you often. My children and grandchildren know all about what a wonderful person you were. We miss you so much. You had great friends, they have never forgotten you. They started a scholarship in your name and have kept it up for all these years, they still bring flowers to the cemetery on your birthday, memorial day and St Peter's Fiesta. I will be visiting the wall with Mary & Paula this weekend for the first time, I know it is going to be very emotional. Dad has passed away and I hope the two of you are together in heaven. I love you and miss you very much, Sister

To My Cousin and Best Friend

Sammy, its been 41 years since you left us for Vietnam, seems like yesterday. I just want you to know that a part of me went with you. You are loved and missed by me and so many others. I've talked to my four children about you, so they all know you and how you protected me or scolded me, whatever the case may have been! I want you to know that you will always be loved, missed and remembered. Peace be with you, Sammy. Love you,

cousin Terry
